Prior to joining the staff at Bellevue Golf Course Mark was the Director of Instruction at Willows Run G C for 12 years. He has given over 10,000 hours of instruction and works with all golfers from the beginner to the scratch player. Mark believes there is no perfect golf swing but all good ball strikers have several fundamental concepts in common in regards to club and body motion. Mark utilizes JCVideo software and high speed cameras to capture

his students club and body motion in every lesson. Being able to see your club and body motion next to the best players in the world really helps to educate the student as to the proper positioning of each throughout the swing. Every student receives a CD with their swing, his comments and drills needed to make the necessary changes in your golf swing. Ben Hogan said "Golf is a game of misses and the one with the best misses usually wins". Mark can help you make your misses better and believes that this will help you enjoy the great game of golf. Erin's philosophy about the golf swing and the game is to keep it simple: that the swing is like any other physical move. Moves that we make every day....We make it hard by breaking it down into small parts instead of staying with the whole and making the swing be a response to what we do with the club. She follows the principles of PGA and Hall of Fame member Manuel de la Torre and is featured in his dvd "Understanding the Golf Swing". Erin has an instructional dvd called 'Golfing with Erin.'
