I believe that everyone, regardless of age, or physical ability, can learn to play golf. I have developed a "three element" program of instruction that is easy to understand and effective. I help the player identify his or her golf skills to play their best based on physical abilities, body type and personal goals. The instruction is Fine-tuned to the person, rather than a teaching methodology.

My primary goal is to bring FUN into playing the game of golf. I use the latest best visual teaching aid, V1 Swing Analysis Software. Something new for 2013 the Swing Smart Golf Analyzer. More than mechanics FUNdaMental Golf helps the golfer develop a CORE golf swing through timing, tempo, rhythm and balance.

## RiverRidge Golf Complex, Eugene, Ore.

**Sean McGowan** – PGA Professional  
Since 1991, PGA Professional Sean McGowan has enjoyed teaching golfers young and old the fundamentals and intricacies of the game and the swing. Teaching the short game has always been Sean's specialty and in the last few years he has moved much of his instruction to the golf course to help his students understand the importance of how the lie of the golf ball determines contact. Every swing is different, and how you make contact on the slopes of the golf course is more important than making a perfect strike on the flat surface of the range. Impact-based-learning is the basis for Sean McGowan's instruction. By working with Sean, you will have a clearer picture of how to hit your next shot and enjoy playing golf more than ever. Sean teaches at RiverRidge Golf Complex in Eugene, Oregon. RiverRidge has an 18-hole championship course, a nine-hole executive course, a nine-hole par three layout, full practice range with covered and grass teeing areas, several putting greens and short game practice areas. RiverRidge is an excellent place to learn and practice the instruction of PGA Professional Sean McGowan. Call Sean at 541-510-1241 and email him at [smcgowan@pga.com](mailto:smcgowan@pga.com).

Erin’s philosophy about the golf swing and the game is to keep it simple: that the swing is like any other physical move. Moves that we make every day....We make it hard by breaking it down into small parts instead of staying with the whole and making the swing be a response to what we do with the club. She follows the principles of PGA and Hall of Fame member Manuel de la Torre and is featured in his dvd “*Understanding the Golf Swing*”.

Erin has an instructional dvd called ‘*Golfing with Erin*.’

Teaching philosophy: Anybody who has played golf knows how difficult and complicated the game can be at times. This idea of complexity takes on a whole new meaning when taking lessons. If this has peaked your curiosity, for \$45, we can talk about this in more detail for 45 minutes.

## Horseshoe Lake Golf Course, Port Orchard

**Fil Falcon** – Head Pro Horseshoe Lake Golf Course  
I am a firm believer in teaching the golf swing from the ground up. If you have a solid foundation the swing will come naturally. As a teacher I try not to overwhelm my students. I offer Swing Video Analysis lessons, Chipping & Pitching lessons and Putting lessons.

I have worked with golfers of widely different ability levels and enjoy helping each golfer improve their game and scores. I don’t subscribe to any particular method but work with each player to focus on what works best for them. If you are worried that golf is too complicated or that you can’t improve, I’m the instructor for you.
