Shanda Imlay – PGA Head Professional

Shanda Imlay, co-owner and PGA Head Professional was recently awarded the OGA Golf Professional of the Year for 2014. She has well over 30 years of experience in teaching all levels of players. These include: PGA and LPGA professionals, Collegiate players, coaching the Girl's Junior America Cup, along with coaching the Cleveland Girl's Golf Team for the last three years.

I believe that everyone, regardless of age, or physical ability, can learn to play golf. I have developed a "three element" program that is easy to understand and effective. I help the player identify his or her golf skills to play their best based on physical abilities. The instruction is Fine-tuned to the person, rather than a teaching methodology.

My primary goal is to bring FUN into playing the game of golf. I use the latest best visual teaching aid, V1 Swing Analysis Software. Swing Smart Golf Analyzer is new for 2016. More than mechanics FUNdaMental Golf helps the golfer develop a CORE golf swing through timing, tempo, rhythm and balance. If you are interested in learning to play the game, improving your golf skills or bringing FUN back into your game, check out my web page fundamentalgolf.net or call 503.632.3986. I look forward to talking with you, Shanda Imlay, PGA

Erin's philosophy about the golf swing and the game is to keep it simple: that the swing is like any other physical move. Moves that we make every day....We make it hard by breaking it down into small parts instead of staying with the whole and making the swing be a response to what we do with the club. She follows the principles of PGA and Hall of Fame member Manuel de la Torre and is featured in his dvd "Understanding the Golf Swing".

Erin has an instructional dvd called 'Golfing with Erin.'

Kris Runge – PGA Head Professional
Teaching philosophy: Anybody who has played golf knows how difficult and complicated the game can be at times. This idea of complexity takes on a whole new meaning when taking lessons. I attempt to keep the lesson simple by focusing on set-up and the impact that has on swing plan and swing path and how these areas effect the flight of the golf ball. See how simple that sounds?
If this has peaked your curiosity, for \$45, we can talk about this in more detail for 45 minutes.
I can be contacted at Twin Lakes pro shop: (253) 838.0345.

He is just beginning his teaching career and comes with a youthful enthusiasm about working with people of all ages and all abilities. He also helps with the mental aspect and ways to keep thoughts under control. Nate played for Green River Community College and is excited about beginning his career in the PGA Northwest Section. Call (253) 838.0345 for information.

“My teaching philosophy is to reshape and improve the player’s natural swing while also improving the player’s setup positions. I believe most flaws in a player’s swing stem from poor setup positions and too much tension throughout their body. Please call (253) 838.0345 to arrange a lesson with Josh.
