Mount Adams Golf Course turns 100 and gets a new look as well

There are a few courses around the Pacific Northwest that are celebrating their centennial this year and one of those is Mount Adams Golf Course in Toppenish, Wash. The original nine opened in 1926 with sand-oiled greens.

The course's new owner, Pat Shield, took over in January and began an extensive renovation project to modernize the facility and closed the course to make the improvements. The renovation process involved significant infrastructure upgrades, including the installation of a new irrigation system and a major remodel of the clubhouse, which included the addition of an event center and a new patio. A grand reopening celebration is planned for this summer.

Mount Adams Golf Course in Toppenish turns 100 years old this golf season and will have a new look after a re-model.

Central Washington

An incredible variety of golf courses awaits your selection when organizing a travel itinerary to visit this region.

There might not be a better area for a golf getaway than Central Washington, with its sunny weather and variety of golf courses. Just over the Cascade Mountain Range, the scenic drive will put you into a completely different climate. Here's a look at some of the golf courses you will find there.

Lake Chelan Golf Course

Ever since it was built in 1970, Lake Chelan Golf Course has always been a popular spot for golfers visiting the area. Located on the lake's north side, Lake Chelan is a solid Par-72 golf course that sits on a bluff with unparalleled views of the lake that will stay in your memory. The course has three sets of tees and plays to 6,445 yards from the blue tees with a slope of 124.

The reviews by visitor's to Lake Chelan all talk about the fantastic views and the great condition of the course. If you are planning a trip to the Wenatchee/Chelan area you will want to put Lake Chelan Golf Course on your itinerary.

The Links at Moses Pointe

The Links at Moses Pointe is located just four miles off of interstate 90 in Moses Lake, Wash., and has been a favorite destination for golfers since opening in 1999.

Having hosted the 2005 and 2008 Washington State Amateur Championship as well as the 2011 Pacific Northwest Public Links, Moses Pointe has proven to be a test to the games best players.

In addition to great golf, you'll find one of the regions favorite restaurants – Mulligans at the Pointe! Amazing burgers and specialty sandwiches await, along with a terrific selection of beverages and a featured entree every weekend.

With great golf, 300 plus days of sunshine, and a growing residential golf community, Moses Pointe is sure to become your next home away from home, or who knows, maybe your next home? For a hole by hole visual tour of the course, visit www.mosespointe.com.

Horn Rapids Golf Course

Horn Rapids Golf Club, located outside of Richland and is a true desert-style golf course. A new owner took over the course in 2019 and has been aggressively updating the entire facility. The sloping, slick greens provide plenty of character and will challenge your short game.

The course plays 6,954 yards from the back tees and boasts a 73.6 rating with a slope of 130. If you have an RV there is Horn Rapids RV Resort, a five-star RV resort, just across the highway with 225 parking pads.

Leavenworth Golf Course

There's more to the town of Leavenworth than just Bavarian fun like Oktoberfest, Mayfest and the annual Christmas tree Lighting ceremonies. Leavenworth Golf Course is a short drive from downtown and is surrounded by mountains. The Wenatchee River flows beside the course where you might see some fun loving partiers drifting by during the summer months. If you had to choose one word to describe Leavenworth Golf Course it would be peaceful or quiet or scenic.

This is a fun course that might not play long but, with the tall trees lining the fairways it sure seems like it does play longer than its 5,711 yards. Not only are there the tall trees, but the greens are small, firm, raised targets putting pressure on

Horn Rapids in Richland is a desert experience (top); Canyon Lakes Golf Course (bottom) features plenty of challenges and the new owners moved Golf Universe store to the location.

Central Washington: Gamble Sands adds another course in Scarecrow

your short game. The golfing experience at Leavenworth is truly a walk in the park. Tall mountain enclose the course on three sides. The course has changed a lot over the years but it remains a wonderful course today.

Apple Tree Golf Club

Apple Tree in Yakima is one of the Northwest's iconic golf courses and given a 4-Star rating by *Golf Digest*. The signature Par-3 17th hole with its apple-shaped island green is one of the state's most recognizable holes. The hole is a masterpiece of golf architecture that measures over 10,000 square feet. The 17th hole is only one of many great holes at Apple Tree Resort. The course winds through 100-year old apple orchards with some stunning water hazards and challenging elevation changes. The course and greens are always in perfect condition. The view from the 18th tee belongs on a postcard with the vast network of ponds and the clubhouse perched high on the hilltop. Stay & Play packages are available on-site at the Braebukkrn Lodge Condominiums as well as the Best Western Plus Ahtanum Inn and the Holiday Inn.

Apple Tree Resort opened its brand-new Clubhouse Park amenity area, featuring an oversized swimming pool, hot tub, park area, and three lighted pickleball courts, in the summer of 2024.

Suntides Golf Course

Probably one of the best kept secrets in Eastern Washington is Suntides Golf Course. This 18-hole Par-70 course is nestled in a small valley just outside of Yakima near the Naches River and Highway 12. While not long at 5,914 yards, it offers plenty of hazards, lots of trees and well-placed bunkers, giving it some teeth. The level terrain makes it a hit for walkers. There is a full-service restaurant & lounge, a large practice putting green and a driving range on property. Suntides RV Park is adjacent to the course and has a recently established bike/walking trail near by. The park has manicured grass, mature shade trees, paved roads

and sites that provide easy access for big rigs.

Vic Meyers at Sun Lakes

The nine-hole Vic Meyers course and Sun Lakes Park Resort is one of the most popular destinations for Pacific Northwest families and golfers. Located 40 minutes north of Moses Lake, the resort has been a hit for families because of the variety of activities available here. The golf course is called Vic Meyer, named after a former Lt. Governor of Washington who was responsible for getting it build. Sun Lakes Park Resort has always been a hot spot, no pun intended, for golfers and non-golfers alike. Outdoor activities include putt-putt golf, Water Wars, swimming, bike riding, hiking, paddle boating, fishing and, of course, golf. There are a variety of ways to enjoy your trip to Sun Lakes. The resort offers cabins, tent sites and hundreds of RV sites with full hookups.

Gamble Sands

Gamble Sands is an award winning course in Brewster, Wash. developed by the Gebbers family and is managed by OB Sports Golf Management. From the championship courses to the 37-room inn to the Cascade Putting Course, it is a first-class resort. The course sits above the Columbia River and the David McLay-Kidd layout is ranked among the best in the country.

This facility is absolutely stunning and must be on everyone's bucket list as it offers a golfing experience like no other. The Par-3 (14-hole) course called QuickSands plays differently every day with routing changes.

And a second 18-hole course called Scarecrow opened slightly a decade after the Sands Course and gives visitors even more golf. The goal was to utilize Scarecrow's steeper landscape while creating an adventure that has its own identity despite echoes of the original Gamble Sands.

Columbia Point Golf Course

Located in Richland, Columbia Point Golf

Gamble Sands in Brewster has opened a second course called Scarecrow to tee it up.

Course is an upscale and daily fee facility adjacent to the Columbia River. The course is owned by the City of Richland and measures 6,571 yards from the back tees. It celebrated its 25th year in 2022.

Nothing too complicated greets the average golfer but the course does have water hazards and numerous bunkers that will need to be avoided. The most recognizable features are the mounds separating several of the rolling fairways and large undulating greens. If your short game is MIA, you might want to put in some practice time on the range before you hit the course. Columbia Point has a full-service restaurant/bar with a covered patio and panoramic views of the front nine.

Desert Canyon Golf Course

This 18-hole public facility delivers an experience unmatched in Central Washington. Spectacular desert terrain creates a course with desert style target golf. Located in Orondo, Washington, Desert Canyon features 7,217 yards from the longest tees. It was designed by Jack Frei and opened in 1993. It has received numerous acco-

lades including being named the #1 resort course in the State of Washington, and being ranked as one of the best conditioned course in America by *Golf Digest*.

Bear Mountain Ranch

There may not be a more aesthetically pleasing course in the Pacific Northwest. Set among an incredible natural setting with golf course views that are equally as stunning as the course itself.

At over 7,230 yards from the back tees, Bear Mountain Ranch is a test for the low handicapper, but it also makes sure each and every golfer can find a proper teeing ground with four additional sets of tees. The course uses the natural terrain of carved plateaus and each hole features lake and mountain views.

Highlander Golf Club

At 800 feet above the Columbia River it is a breathtaking piece of property that boasts a masterpiece designed by John Steidel and built by Jim Haley (Haley created and shaped Bandon Dunes). This one is called Highlander and it lives

The summer is the perfect time for RVs and golf to mix. And the Central Washington area has several choices for overnight camping, from Suntutides in Yakima to Desert Aire in Mattawa, to Sun Lakes in Coulee City. The popularity of Golfers traveling in RVs is growing and golf courses are catering to them. Many of the courses provide a resort experience that go way beyond just a place to park for the night. Here are a few you might want to check out:

• **Sun Lakes Resort:** Vic Meyers, the former Lieutenant Governor of Washington State, had a vision to turn a chain-link string of lakes 40 miles north of Moses Lake into the "Palm Springs of the Northwest." The 4,000 acre resort was a reality in 1949 with a 9-hole golf course included. The Sun Lakes Resort, on Park Lake, is now one of the state's most popular parks with cabins and RV spaces, putt-putt course and much more.

• **Sage Hills Golf & RV Resort:** Guests are treated to a challenging and well manicured golf course as well as a popular restaurant and bar. There are 40 RV spots with full hook ups, a laundry room, swimming pool, a picnic area and a full-service restaurant and lounge.

• **Desert Aire:** Located along the Columbia River in Mattawa. Desert Aire offers 14 RV spots with full hooks. The park has a huge putting green just feet away and is lighted for night putting. The course is located just 18 miles south of I-90 at Vantage.

• **Crescent Bar:** Is a sand spit that extends into the Columbia River near Quincy. The RV park has 60 paved RV sites, 55 with full hook-ups. A popular 9-hole golf course borders the Columbia River and is very walkable. Picnic area and a marina are some of the amenities.

• **Colockum Ridge Golf Course:** The course has been up-graded and is a popular place for local and RV travelers that want an easy course to walk. There are 18 sites available and reservations are recommended.

In the spring of 2013, the back nine was the focus of many upgrades including the addition of a new canyon carry hole, giving the course three holes now that offer a cross-canyon short. and creeks dotting the landscape with spectacular views of the Cascade Mountains. There is plenty to like with the resort, including miles of bike trails, a hotel on site and some outdoor recreations areas for home owners and visitors.

Wine Valley Golf Club

Walla Walla is no stranger to new vintages. The once-sleepy hamlet in the southeastern corner of the state has become one of the premier wine destinations in the United States. But if you were looking to pair fine public-access golf with wine touring and tasting, the pickings were slim. The uncorking of Wine Valley Golf Club changed all that – for the area and for the Pacific Northwest. Ranked as one of the top courses in Washington by *Golfweek*, Wine Valley has been added to the must-play list for golf enthusiasts. It is also ranked among the courses on the list of top Modern Courses.

Wine Valley Golf Club, designed by Oregon native Dan Hixson, blends immense scale, inspiring scenery and strategic challenges into a championship golf experience. The course has hosted the Northwest Open and the PPGA Men's Amateur.

Sun Willows Golf Course

Sun Willows Golf Course, in Pasco, is a Robert Muir Graves designed public 18-hole, par-72 course. It opened in 1963 and was redesigned in 1980 by local golf course architect John Steidel. A favorite of Tri-City golfers, it is a traditional and challenging Northwest style course with mature trees that line rolling fairways and large undulating greens. You can play the course from 6,715 yards at the tips or as short as 5,695 yards from the forward tees. There are 32 bunkers and five lakes that will keep you focused.

Othello Golf Course

Othello Golf Course is a nine-hole course that plays to 3,066 yards with two sets of tee giving you the feel of a 18-hole course. There is a nice full-service restaurant on property with a huge deck overlooking the course. The course offers space for a few overnight RVs with electric hookups. Water and septic hookup are not provided. Check the pro shop for rates and availability.

Canyon Lakes Golf Course

Canyon Lakes has won a variety of awards, including voted as Best Golf Course by the People's Choice Awards in the Tri-Cities area making it the most popular course in the area. Rated 4 1/2 Stars by *Golf Digest*, making it the highest rated course in the Tri-Cities and shares the highest ranking in Washington State. In addition to the lofty rating, *Northwest Travel Magazine* selected Canyon Lakes as one of 18 of the Best in the Pacific Northwest."

Canyon Lakes is famous for large, fast, undulating greens with the 12th hole touted as the largest green in the Pacific Northwest at 12,000 square feet. The ninth hole was also awarded as one of the Northwest's Dream 18 holes.

With five sets of tees measuring from 5,500 to 7,027 yards, Canyon Lakes will test the mettle of all types of golfers.

The course has changed ownership in 2024 as long-time owner Mike Lundgren has sold Canyon Lakes to a group of Tri-Cities businessmen who also own a Golf Universe golf shop at the course.

West Richland Golf Course

The course is a daily fee 18-hole regulation links-style course that is playable and fair - and especially popular with beginners because of the relatively tame layout. The price is always right at West Richland, too. The course is also host to one of the largest Pro-Am's in the Pacific Northwest every year which attracts the professionals from around the NW to play for a big purse.

Alta Lake, Rock Island

Owner Don Barth got his golf ownership start with Alta Lake Golf Course and then took over

the operations at Rock Island. Alta Lake, located in Pateros, now has 18 holes and a hotel allows golfers to stay on site. Every room in the lodge has a view of the golf course and there is a swimming pool and area for picnics or to just stretch out in the Eastern Washington sunshine.

Rock Island located near Wenatchee became an 18-hole course a few years ago with the opening on a new nine, designed by Barth. Nothing wrong here either, especially with the 13th hole, a dogleg that runs along a large water hazard.

Kahler Mountain Club

Kahler Mountain Club Resort is a year round recreation resort with cross-country skiing, snowshoeing winter, golf, tennis & pickle ball, or other activities like hiking, zip-lining, and horseback riding for summer activities.

The course might not be long (measuring 5,893 yards from the tips with a par of 70 and a slope of 122) but you better hit it straight. Most holes are surrounded by tall trees, seven holes have water hazards, giving you the perfect feel for Pacific Northwest golf.

Sun Country Golf and RV Resort

Located 90 minutes east of Seattle and a few minutes off Interstate-90, Sun Country features an alpine course carved out of the trees. The yardage might be short for some, but the course plays long when the winds blow off the nearby slopes of the Cascade Mountains. The RV park features full hookups and is close to outdoor activities like hiking, fishing, rafting and more.

In 2022 the course added the popular 9 IRON Bar and Grill.

Colockum Ridge GC

This 18-hole course is located in the heart of farming country and has been revitalized in recent years into a course rivaling its neighbors in both quality and value. The open fairways are popular with all skill levels and the advanced players will relish the birdie opportunities.

Crescent Bar

Crescent Bar Recreation Area is owned by

the Grant County Public Utility District and managed by Central Washington Management Group. The campground was remodeled in 2017 and has 55 RV sites with paved pads. The course is nine holes and the rates are great the best you will find anywhere – see their website for rates: www.crescentbarrecreation.com.

Banks Lake Golf Course

Often goes unnoticed as it is a bit off the beaten path in Electric City. This 18-hole public course opened in 1985 and is owned by the Port of Douglas County but run by volunteers. The course is 6,359 from the back tees with a slope of 119.

Royal City Golf Course

Royal City Golf Course was a community effort that was built with volunteer labor and donated resources in 1992. The 9-hole course is 6,623 yards and a par 72. It has a driving range, and if you happen to be here at the right time, you will see crop-dusters flying below the high-tension wires on the driving range. There are several RV sites with full hook-ups at the course.

Sunserra at Crescent Bar

The Sunserra community sits along the Columbia River and features a resort community complete with pools, hot tubs, tennis courts and a terrific nine-hole golf course. The holes all have view of the nearby Columbia River plus mountains and is always in pristine condition.

Three Lakes Golf Course

A course with some great history as Bing Crosby got a star-studded foursome together at Wenatchee Golf and CC to raise money for the building of Three Lakes Golf Course located in nearby Malaga. The course features plenty of challenging holes and plays to 5,446 yards and a

Mount Adams Country Club
